Actions you'll learn:

- Develop your vision
- Get your mind right
- Think laterally to WOW your customers

Glenn Bott is a keynote speaker chronicling his "miraculous" recovery from a severe injury to re-establish his personal power and become a positive, can-do member of society. He now speaks and consults with businesses on lateral thinking, problem solving, reinventing yourself, new product development, and success. He founded the Warrior's Way LLC and coaches people and organizations in realizing the power of commitments and lateral thinking.
